EMERGENCY 9-1-1

2008 BUDGET PUBLIC HEARING & SPECIAL TOWN MEETING

- Wednesday, October 22, 2008 @ 7:00 p.m.
- Town Hall (W249S8910 Center Dr)
- Proposed budget available at the Town Hall and online at www.townofvernon.org mid September.

FALL BRUSH PICKUP ~ TWO (2) PICKUP DATES SCHEDULED

The **FIRST** round of brush pickup begins **Monday, October 6, 2008**. The first pickup's route includes all of Center Drive and everyone **EAST** of Center Drive. **Please have all branches at roadside by Sunday, October 5, 2008 or they may not be picked up.** The **SECOND** round of brush pickup tentatively begins **Monday, October 20, 2008**. The second pickup's route includes everyone **WEST** of Center Drive. **Please have all branches at roadside by Sunday, October 19, 2008 or they may not be picked up.**

Please be aware the brush pickup rules have changed. There will be no more than 20 minutes spent on each property's brush pile. Brush must be **no larger than 6 inches in diameter** and must be stacked in **bundles no taller than 3 feet and no longer than 20 feet long** near the edge of the road with the largest diameter facing the road. If you are using the Town's brush pickup service to clear your lot or remove trees, please call a tree removal service. **Please, NO ROOTS &/OR DIRT.** Residents who would like woodchips must sign an authorization slip at the Public Works Department located at the Vernon Town Hall or you may download an application from the Vernon website at: www.townofvernon.org. The quality of these chips will vary greatly and are not like woodchips available at a nursery. If you have any questions please call 662-7785.

ELECTRONIC NEWSLETTER

Thanks to all of the residents that signed up for the Electronic Newsletter! If you would like to sign up for the Electronic Newsletter, please email the Deputy Clerk at dcfinance@townofvernon.org with your name, street address and request that you would like to be added to the electronic newsletter mailing list. Once you are on the electronic mailing list, you will not receive a hard copy newsletter through the U.S. Postal Service. Your electronic newsletter will be sent via email the same day the newsletters are sent to the post office. Also, your email address will be kept in the Clerk's Office and not sold to any companies for Spam use, as allowed by law.

ELECTION INFORMATION

2008 ELECTION SCHEDULE

- **Tuesday, November 4, 2008** General (Presidential) Election

Polling places open at 7:00 a.m. and close at 8:00 p.m. at the following locations:

- **Wards 2-5** Town Hall, W249S8910 Center Drive.
- **Wards 1 & 6-10** Fire Station #3, Woodland Lane (STH 164 & I-43).

ELECTION INFORMATION (CONT'D...)

REGISTER TO VOTE

To register to vote, you must provide a valid Wisconsin Driver's License with your current address. If you are not issued a Wisconsin Driver's License, a Wisconsin ID Card will be acceptable or the last 4 digits of your social security number. You can register to vote two ways: in the Clerk's Office or by mail. You can register to vote in the Clerk's Office during office hours. If you wish to register by mail, you can call the Clerk's office to have a Voter Registration application mailed to you or go to <http://elections.state.wi.us/docview.asp?docid=6073&locid=47> to download the application. Please note if you register by mail, you **MUST** include a copy of your Driver's License. If you do not, your application will not be processed and you will not be able to vote until you show ID, either at the polls or in the Clerk's Office.

CALENDAR YEAR ABSENTEE BALLOTS

Contact your municipal clerk and request that an application for an absentee ballot be sent to you. You may also request an absentee ballot by letter or personally by coming in to the Clerk's Office, complete a written application, and vote an absentee ballot.

PERMANENT ABSENTEE BALLOTS

If you are indefinitely confined because of age, illness, infirmity or disability, you may request a Permanent Absentee Ballot be sent to you for every subsequent election until you are no longer confined or fail to return a ballot for an election. Again, to have an Absentee Ballot sent to you, you must be a registered voter in the Town of Vernon.

TREASURER'S OFFICE

TREASURER'S OFFICE HOURS:

Tuesdays & Thursdays: 8:30 a.m. - 3:30 p.m.

Treasurer

Marie Kumershek

Email: treasurer@townofvernon.org

Office - 662-2039

INTERNET ACCESSIBILITY - TAX BILL

You can now access your tax bill online! Go to: www.waukesha.gov. Click on **Elected Officials**, then **Treasurer**. Once the County Treasurer's page is loaded, click on **Tax Listing and Billing Search**, access your tax bill by tax parcel number or by address. Any questions please contact the Treasurer.

DOG LICENSES

All dogs, age five months and older on April 1, 2009, **MUST BE LICENSED.**

Before you submit your dog license application, be sure you **sign** the bottom of the form and **include** the **vaccine & manufacturer numbers**. **Please watch** for the **dog license application** that is **included with your tax bill**. The application can also be found on the Town's website under the Treasurer's Office link.

A NOTE FROM THE TREASURER:

My office is always open for positive suggestions. If anyone has any, Please contact me either by email: treasurer@townofvernon.org or call 662-2039 Tuesdays and Thursdays.

DEPARTMENT OF PUBLIC WORKS

DPW OFFICE HOURS:

Monday - Friday: 7:00 a.m. - 3:30 p.m.

DPW Director

Doug Salentine

Email: dpw@townofvernon.org

Office - 662-7785 & 662-7786

WINTER PARKING AND SNOW EMERGENCIES

“No person, partnership, corporation, or other legal entity shall park or cause to be parked any vehicle of any kind or description on any public street or highway in the Town of Vernon between the hours of 2:00 a.m. to 9:00 a.m. during any period of the year commencing December 1 and ending April 1 of any year unless temporarily authorized by the DPW Director or Designee.” Snow Emergencies will be broadcast on WTMJ/ Channel 4; WISN/Channel 12; Fox/Channel 6.

WINTER REFUSE & RECYCLING PICKUP

During the winter, refuse and recycling containers shall not be placed in the roadway. **Please keep them off the roads so that our snowplow operators can keep our roadways clean and safe for public transportation.** If refuse and recycling containers are left on the road, they may be damaged by the snowplows.

REFUSE & RECYCLING PICKUP DELAYS DUE TO HOLIDAYS

If a holiday falls on a weekday, your refuse & recycling pickup will be delayed by one (1) day.

WASTE MANAGEMENT'S PHONE NUMBERS:

1-414-761-2100

1-800-640-5571

(Landfill - 10712 South 124th,
Franklin - 414-529-6180)

NOTIFICATION OF ROAD RIGHT-OF-WAY TRIMMING

The road right-of-way (ROW) in the Town of Vernon needs to be trimmed every few years, particularly when Wisconsin storms bring lightning, ice and high winds. Also, we need to make room on the road right-of-way for snow removal. We are also working hard to provide intersection visibility for school buses, police and other emergency vehicles, normal traffic visibility and delivery trucks, etc...

Right-of-way trimming typically involves low overhanging branches, as well as brush and fast growing, leaning trees. Brush will be removed/chipped and wood will be left for the homeowner.

We may need to remove a tree that is dead or dying, has badly split trunk or limb, leans dangerously close to the road right-of-way or is a fast growing weak wood variety.

If trees will be trimmed by your property, the DPW will notify you by a letter in your door one week in advance.

Any fireplace type of wood (6 inches or greater) remaining after the Department of Public Works trims trees, is the property of the adjacent property owner. This wood can only be removed by someone else if they have the property owners permission.

*****This letter does not apply to the utility companies conducting trimming in the Right-of-Way.***

CHRISTMAS TREE DISPOSAL

Waste Management will be collecting Christmas Trees placed in an upright position at the roadside.

If you have any questions Regarding Christmas Tree removal, please call 1-800-640-5571.

Please remove all decorations.

ADDITIONAL INFORMATION

BE PREPARED FOR THE NOVEMBER REFERENDUM

Should our Town's Clerk and Treasurer positions be appointed or elected? That is the question to be addressed by Town of Vernon voters on a referendum this upcoming November election. At the present time, the positions are elected. Is it time for a change? You, the voter, will be shaping the future of your town. Some points to consider when making your decision:

Elected Town Clerks and Treasurers

- Must be town residents.
- Elected for 2 year terms.
- Compensation is set by town electors at a Town meeting unless the Town Board is authorized at a Town meeting to do so.
- Obligated to perform those duties stated in the Wisconsin Statutes.
- Person with most votes wins, regardless of qualifications or knowledge of the job.
- Sets own office hours. Board/public cannot mandate set office hours or require additional duties.
- Subject to removal by the electorate after the first year of their term by a recall election or, upon the completion of their term, by not being re-elected.
- Statewide, 80% of town clerks are elected. In Waukesha County, only Mukwonago and Vernon elect their clerk and treasurer.

Appointed Town Clerks and Treasurers

- Not required to be town residents, so candidates can be drawn from a larger geographic area.
- Appointed by the Town Board for a set term not to exceed 3 years; Thereafter, may be reappointed at the discretion of the town board for up to three years at a time.
- Can only be removed from office by the Town Board during term of office for "cause" (i.e. inefficiency, neglect of duty, official misconduct or malfeasance in office). Otherwise, may be replaced by the Town Board when term is completed.
- Wages are set by town board.
- Board sets qualifications for office and conducts the hiring process for the most qualified candidate. Committee may be formed to screen candidates and give recommendations to board.
- Board creates job description for the position which may include set office hours and other additional duties that elected officials may not otherwise be obligated to perform.

Help neighbors in your local community – give the gift of life, give blood. Call Blood Center of Wisconsin and schedule your appointment today by calling 1-877 BE A HERO (1-877-232-4376).

To find local drives in your area, please visit www.bcw.edu.

You are doing more good than you know!

BIG BEND/VERNON FIRE DEPARTMENT

FIRE DEPARTMENT:

W223S7475 Woodland Lane

FIRE DEPARTMENT HOURS:

Monday - Friday - 8:00 a.m. - 4:00 p.m.

Fire Chief

Chief Phil Buchholtz

Non-Emergency Number - 662-2079

HELP US HELP YOU!

**October 5-11 is
Fire Prevention Week 2008**

“Prevent Home Fires”

That's the message from the Big Bend/Vernon Fire Department during Fire Prevention Week 2008.

Fire departments responded to nearly 400,000 home fires in 2006. Your home should be a safe haven. But do you regularly check for home fire hazards? If not, there is definitely a potential for danger. With a little extra caution, preventing the leading causes of home fires – cooking, heating, electrical, and smoking materials is within your power.

So let's get started!

Sound the alarm for the “Great American Fire Drill”! In October the members of the Big Bend-Vernon Fire Department, in conjunction with the National Fire Protection Association, are asking that families in our community practice their home fire escape plans. With your help, we're hoping to have the world's biggest fire drill.

It is the mission of the Big Bend/Vernon Fire Department to build and maintain a partnership with the Town of Vernon to provide the best possible emergency service to you, the residents of our community, through clear and open communications, progressive fire prevention and public education programs, and safe and efficient operations. It is our honor to serve you, and we take this opportunity to thank each of you as members of our community for your continued support. Your donations and personal commitment to our organization are and continue to be critical to our successful operation.

Sincerely,

Phillip B. Buchholtz

Phillip B. Buchholtz,
Fire Chief

RULES GOVERNING OPEN BURNING & BURNING PERMITS

Open burning is allowed in the Town of Vernon to assist residents with the removal of natural yard waste such as grass clippings, leaves, and branches from their property. Such burning is allowed from sunrise to sunset when the wind speed is less than 9 mph. Burn piles should be no larger than 4' by 4', no more than 3' in height, and must be no closer than 50' to any building or other flammable items. A garden hose, hand tools, or other means to control the fire must be accessible and an adult over the age of 18 must be in attendance at all times while burning. The fire department must be contacted on the day of the burn at 662-2079 and provided with the address of the burn and the name and phone number of the person responsible during the burn

CONGRATULATIONS!!!

The Big Bend/Vernon Fire Department received a 2008 Assistance to Firefighters Grant for \$228,950 from the United States Fire Administration.

FREE BLOOD PRESSURE CHECKS

Fire department personnel are available and would be happy to provide blood pressure checks to any interested Town of Vernon resident weekdays between the hours of 8:00 A.M. through 4:00 P.M. at our Station 3, W233 S7475 Woodland Lane, just off of Hwy 164. Please call us at (262) 662-2079 make arrangements ahead of time.

BIG BEND/VERNON FIRE DEPARTMENT (CONT'D)

JOIN THE FIRE DEPARTMENT

The Big Bend Vernon Fire Department is looking for energetic members of the community to serve as Firefighter/Emergency Medical Technicians. If you are at least 18 years old, have a high school diploma and have a strong commitment to serving your community, please contact us at the Big Bend Vernon Fire Department for information and an application at (262) 662-2079. Or visit us at our Station 3, W233 S7475 Woodland Lane, just off of Hwy 164 weekdays between 8:00 AM. and 4:00 P.M. All required training will be provided to you. Here is your opportunity to begin a rewarding experience as a Firefighter / Emergency Medical Technician and serve your community at the same time. The Big Bend Vernon Fire Department is an equal opportunity employer.

DONATION OF ITEMS TO BE USED FOR TRAINING OR OPERATION PURPOSES

The Fire Department is currently accepting donations of items which we can use to provide realistic fire and EMS training to our members, provide equipment to maintain the physical condition and promote the safety of our members, to furnish and update our stations, and at the same time reduce the tax burden on you the residents of the Town of Vernon.

Such items include:

- Structures in good condition which are scheduled for demolition. (Completion of specific paperwork is required prior to use of a structure for training purposes)
- Used vehicles in fair condition which may or may not be in running order. (Vehicle must have a current and clear title)
- Exercise equipment in good condition and working order.
- Office type furniture in good usable condition.
- Old household furniture which can be used to furnish a training house.

If you have such items which you no longer have use for and would like to make a tax deductible donation please contact the Fire Department during our office hours to inquire whether your item would be usable to us.

PHYSICAL ASSISTANCE ITEMS AVAILABLE

The Fire Department also has items such as wheelchairs, walkers, canes, crutches, and other similar equipment for use by any community member in need, free of charge. We ask that residents call the Fire Station prior to stopping in to pick up equipment so that we can make sure the item you need is available. When you come to pick up the item we will need your name, address, phone number, and the approximate amount of time you will need the equipment. Anyone wishing to donate such items which they no longer need may do so by dropping them off at Fire Station 3.

PARTICIPATE IN OUR "FILE OF LIFE" PROGRAM

We have implemented the "File of Life" program available to all residents of the Town of Vernon. This program provides a means for our fire department personnel to obtain critical medical information about you or a member of your family if, for whatever reason, that information cannot be provided to us on our arrival to your emergency scene.

In order for a resident to participate in the program he or she must complete a "Big Bend Vernon Fire Department - File of Life" form which can be picked up at Fire Station 3 or download form from the Town of Vernon website. The completed form should then be attached to your main refrigerator door. We highly recommend this location as it is readily accessible to us and common in most homes.

As our personnel arrive at your residence we can immediately retrieve the information you have provided which will greatly assist us in evaluating you or your family member's condition and allow us to provide necessary treatment in the fastest amount of time. A copy of the completed form, available for us to take along to the hospital, would also be helpful. Additional blank forms are available upon request from the on scene medical crew or by calling or visiting Fire Station 3 during regular business hours.

BUILDING INSPECTOR

Wisconsin Building Inspections, LLC

BUILDING INSPECTOR OFFICE HOURS:
Monday, Wednesday, Friday - 1:30-3:30 p.m.

Building Inspector

Vince Budiac

Email: buildinginspector@townofvernon.org

Office - 662-5355 or 366-2400

As fall quickly approaches, so do many home projects. Please remember, permits may be needed before you start your projects. Please call Vince Budiac with questions concerning pools, decks, sheds, garages, additions, accessory buildings and basement remodeling.

There has been an alarming increase in the number of problems associated with home sales that lack permits for projects.

Projects done without permits can delay closings and cost additional dollars. Please remember to get permits for all projects. If you have any doubt whether a permit is needed please do not hesitate to call.

RECREATION DEPARTMENT

Recreation Director

Joe Zimmermann

Email: recreation@townofvernon.org

Office - 662-4451

For all current lists of sports and activities please log onto the Town of Vernon's website:

www.townofvernon.org

and click on the **RECREATION** tab. You can also download your registration form from the website.

Any questions please contact the Recreation Director.

PLANNING & ENGINEERING DEPARTMENT

For developer information, please call the Clerk's office.

PLANNING & ENGINEERING DEPARTMENT (CONT'D)

Stormwater Management Planning in the Town of Vernon

You may have recently seen workers this past summer in bright yellow vests driving and walking around the Town looking at culverts, swales, and ditches. These Foth Infrastructure & Environment technicians are completing field reconnaissance of the Town's drainage features as part of stormwater management planning efforts being completed to meet new state and federal requirements.

As part of meeting the mandated WDNR requirements, and as previously reported in the Vernon View, the Town's Engineers, Foth Infrastructure and Environment, LLC, are developing a stormwater management plan that addresses permit requirements along with mapping general stormwater management features. The plan must address the following:

Public Education and Outreach

The Town needs to actively promote increasing awareness of stormwater impacts on streams and wetlands. A WDNR insert has been included in this edition of the Vernon View as part of this effort.

Public Involvement and Participation

The Town will need to encourage input and participation from the public on stormwater management issues.

Illicit Discharge Detection and Elimination

The discharge of pollutants (sanitary waste, spills, etc.) into the stormwater drainage system is undesirable and illegal.

Construction Site Pollution Control

The Town has long been active in erosion control efforts such as adoption and implementation of the County's Erosion Control Ordinance.

Post-Construction Site Stormwater Management

The Town has recognized the need for proper stormwater management such as the adoption

and implementation of the County's Post Construction Stormwater Management Ordinance.

Pollution Prevention

The Town has a solid record of properly maintaining municipally owned facilities. These efforts must be documented and continued.

Stormwater Quality Management

The Town's engineers are currently modeling the stormwater features of the Town, to determine what performance now exists, and what additional facilities (such as ponds) must be constructed to meet the new requirements.

Storm Sewer System Map

Every storm sewer and major ditch/culvert outfall in the study area has been mapped, including drainage basins contributing to each outfall.

Annual Reports

The first annual report to the WDNR has been submitted. The reporting will need to be continued to provide the WDNR with the status of the permitted responsibilities.

Much work remains to bring the Town into compliance with these new stormwater management requirements. The Town will provide additional information about this program as we move forward. With your awareness and participation, stormwater runoff will be improved and the program will be successful in meeting regulations and improving our valuable water resources.

For further information on the Town permitting that is required under the federal and state stormwater regulations, visit the Town's website at:

www.townofvernon.org/stormwater_mgt_.htm.

How Can You Reduce Stormwater Runoff in Your Community?

The illustration shows both good and bad stormwater management practices. The good practices are designed to slow up the runoff, encourage water to soak into the ground, and reduce the availability of pollutant sources. Reducing stormwater runoff will result in cleaner neighborhoods and cleaner lakes.

Other stormwater management practices are non-structural such as:

- do not dispose of grass clippings, used motor oil, flushings from radiators, pet wastes, household toxic wastes, etc., by placing them into the gutters or storm sewer inlets
- anti-litter ordinances and educational programs
- erosion controls included in building codes and subdivision regulations
- frequent trash removal and street cleaning
- cleaning of catch basins and sewer pipes
- controls on herbicide and pesticide usage

We All Pay for Poorly Managed Stormwater

Poorly managed urban stormwater will cost a community both in dollars and environmental damage. Poorly managed stormwater runoff can cause:

- flooding of lakes, streams, streets, and homes
- erosion of roadbeds, stream banks, and beaches
- pollution affecting the quality of lakes, streams, and drinking water.

To reduce costs to a community, stormwater management measures should be included in the design and construction of new developments.

Origins of Nonpoint Source Pollutants

Automotive Traffic

Heavy metals such as lead
Asbestos
Acid-making substances
Salts

Construction Activities

Soil
Asphalt and paint
Oil and cleaning solvents

Green Space

Lawns
Parks
Gardens
Farm fields

Airborne Fallout

Smokestack debris
Coal dust
Acid-making substances
Soil

Public Refuse

Animal and plant refuse
Street debris
Trash

Good Practices

- rainwater directed to a grassed area
- grassed waterway; allows water to infiltrate
- grassed areas

Bad Practices

- rainwater directed to a paved area
- curb and gutter directed to storm sewer
- runoff directed to a lake or stream
- parking lot runoff directed to storm sewers

TRICK OR TREAT!!!

*This year, Trick-or-Treat will take
place on: Sunday, October 26th
From 2:00 to 4:00 p.m.*

***** PLEASE BE ADVISED *****

The staff of the Town of Vernon uses an e-mail list to attempt to provide residents information concerning community concerns, emergency information, periodic notices of hearings or meetings that may be of interest, and related information concerning local government activities. This is intended to be an informal means of communication. The Vernon ListServe is not required by law, but allows Vernon to effectively communicate with its residents.

This e-mail list, and communications from this e-mail list, including but not limited to names, addresses, and e-mail addresses, will all be public records of the Town. As public records, this information is generally subject to disclosure to anyone who may request the information, unless there is an applicable exception to the public records law that would prevent the information from being disclosed.

If you do not want this information about you to be disclosed to the public in response to a public records request, then you should not submit this information to the Town of Vernon.
