## **Application for Volunteering for Well Monitoring**

### **Water Monitoring Committee**

**Thomas Bird:** Chairman of the Water Monitoring Committee ... **Tel: 662-2971**

**Kurt Barikmo:** Committee Member ... **Tel: 662-9798**

**Fred Michalek:** Committee Member ... **Tel: 662-5044**

**Joe Reilly:** Town of Vernon Supervisor #1 & Committee Member ... **Tel: 662-0192**

**Mark Schlottke:** Committee Member ... **Tel: 662-3179**

### **Mission Statement of the Water Monitoring Committee**

**Town of Vernon Water Monitoring Committee** was established in recognition of the fact that the entire water supply needs of the residents and business in the Town are met by using natural groundwater resources. Increasing population and continuing development of this area of Waukesha County has increased the demand upon these groundwater resources, necessitating a better understanding of the limitations of the area groundwater supplies. The Committee will undertake the monitoring of ground water levels in a representative network of wells to establish a record of current trends in groundwater levels. The records will provide a factual basis on which to make informed decisions on development and provide a baseline which the Town can use to demonstrate any adverse changes to our groundwater supply.

## Water Monitoring Committee

**Thomas Bird:** Chairman of the Water Monitoring Committee ... Tel: 662-2971

**Mark Schlottko:** Committee Member ... Tel: 662-3179

Mail Application to: Town Clerk, Vernon Town Hall, W249 S8910 Center Drive, PO Box 309, Big Bend, WI 53103

### *Volunteer's Application for Town of Vernon: Water Monitoring Data Collection*

Volunteer's Name \_\_\_\_\_

Volunteer's Phone Number \_\_\_\_\_

Volunteer's Email Address (optional) \_\_\_\_\_

Volunteer's Address \_\_\_\_\_

Best time to Contact: Day (s) \_\_\_\_\_ Time \_\_\_\_\_

I have read the Well Monitoring Committee's Mission Statement and wish to have the Committee consider including my property in the well monitoring data collection process. I understand that the types of tests that will be conducted are up to the discretion of the Town of Vernon and that, if selected, I will be required to sign a release provided by the Town and to provide access to the interior of my residence once per year to obtain a water sample. I also understand that I will need to permit access onto the property approximately six times per year for monitoring purposes.

In order to facilitate the selection process, the volunteer is required to make a rough sketch of your lot and to indicate the location of the house, drive, and well. \* Please be advised that at the end of the selection process only 35 volunteers will initially be chosen. Thank you for volunteering.
