Significant Calls of Interest

- 03/18/2018- #18-0138- Grass fire- Tess Corners Fire Department requested one brush rig and UTV direct to the scene for a grass fire. 1281 and the UTV responded, upon arrival the crew was assigned to deploy the UTV and assist with fire attack.
- 03/22/2018- #18-0146 – Life Safety Hazmat Situation- Western Lakes Fire District requested life safety MABAS box 36-13 to the fourth alarm for multiple patients not feeling well at Oconomowoc High School due to a possible hazmat situation, Vernon was requested for an engine to respond direct to the scene. 1261 responded, upon arrival at the scene 1261 was advised to stage for further assignment. 1261 was then assigned to respond to Western Lakes fire station to handle any additional calls the district received. 1261 did not respond to any calls in the district, but remained to respond until Western Lakes Fire District cleared Oconomowoc High School.
- 03/23/2018- #18-0149 – Grass Fire- Vernon was requested by the Town of Waukesha Fire Department for one brush rig and UTV direct to the scene of a large outside fire. 1201, 1281, and the UTV responded. 1201 was the first to arrive on scene and advised there was a controlled burn that got out of control and approximately half an acre was burned. 1281 arrived second and was assigned to fire attack. Town of Waukesha UTV arrived on scene and assisted with fire attack. Fire was able to be extinguished and the property owner was advised of burning in dry windy conditions.
- 03/28/2018- #18-0161 – Structure fire- Vernon was requested automatic aid to The Town of Waukesha for a reported structure fire in a commercial building. 1201 and 1261 responded. 1201 arrived on scene first and advised there was a large multi-story commercial building with nothing showing, alarms sounding, and evacuation in process. 1201 was advised by occupants there was a battery in the basement that started on fire and produced a large amount of smoke, but the occupants believe the fire was extinguished. 1261 along with Wales/Genesee Fire Department conducted an investigation and determined that the fire was extinguished but there was a large amount of smoke in the lower level. Crews from Vernon, Town of Waukesha, and Wales/Genesee deployed fans and began ventilating the lower level. Once a maintenance worker arrived on scene and was able to get the buildings ventilation system working crews were assigned to pick up all equipment and could return home.
