

SPECIAL WALK-UP SERVICE REQUEST FORM FOR GARBAGE AND RECYCLING COLLECTION

This application is a request for SPECIAL WALK-UP SERVICE in the Town of Vernon with Advanced Disposal for Garbage & Recycling Collection. This Special Service may be requested by a licensed physician on behalf of a patient for whom the moving of the 95-gallon wheeled garbage and recycling carts would present an unnecessary hardship or is impractical by reason of physical condition or medical problem. **Please allow a minimum of five business days for processing this exemption request.**

Office Use Only Date Request Form Received:			PLEASE PRINT OR TYPE			
PART A: TO BE COMPLETED BY APPLICANT						
Last Name:		First:	Middle:	Sex: <input type="checkbox"/> Male <input type="checkbox"/> Female	Age:	Are you able to wheel your carts to the curb for collection? <input type="checkbox"/> Yes <input type="checkbox"/> No
Are you the legal property owner? <input type="checkbox"/> Yes <input type="checkbox"/> No		If not, what is the property owner's name?		Property Owner Contact Phone: ()		
Street Address:			Home Phone Number: ()		Mobile Phone Number: ()	
Mailing Address:		Town:	State: WI		ZIP Code:	
<p>I, the undersigned applicant, certify that I am <input type="checkbox"/> permanently <input type="checkbox"/> temporarily disabled and unable to wheel my garbage and recycling carts to the curb for collection. Town of Vernon Starts Automated Trash

Garbage & Recycling collection in the Town of Vernon has switched to fully automated collection for both trash and recycling. This means that a garbage truck will pull up to the curb in front of your residence and by use of a mechanical arm system, will pick up, dump and return your cart(s) to the curb. In order to facilitate this change, a 95-gallon wheeled trash cart, like the one in the photo to the right, was delivered to your residence along with a 95-gallon wheeled cart for collection of all single stream recyclable items.

Remember, single-stream recycling allows you to place all recyclable commodities, such as paper, cardboard, steel, plastic, tin, aluminum and glass, into one collection cart. Single-stream recycled items require loose placement within the

collection cart.

The carts are very easy to maneuver over multiple types of terrain.

In order to assist persons with disabilities who do not have anyone to help them with their chores, the Town of Vernon has contracted with Advanced Disposal to provide Walk Up Service to persons who qualify.

Qualified residents must:

1. Be unable to wheel their cart to the curb for collection.
2. Have no one else who can assist them, such as a spouse or other live-in family member or a personal assistant.
3. Be certified by a physician as needing assistance.
4. Fill out and return the required request for exemption form. (Page 1)
