APPLICATION INFORMATION:

Sign Project (i.e. new, alteration, addition, repair, removal, other)

Zoning District (i.e. residential, agricultural, business, industrial, or public & institutional)

Is the sign temporary, seasonal, or permanent?

Is the sign wall-mounted, projecting, ground / monument, pole, portable, other?

What is the width, height and square footage of the sign? If the sign is a pole sign, what is the overall height?

Will the sign be illuminated internally or externally?

Are there any other signs on the property? If so, what are the widths, heights and square footages?

APPLICATION MAP:

Please attach a detailed site plan indicating the location of the principal structures(s), accessory structures, property lines, and rights-of-way. For wall-mounted, projecting, etc., provide a detail building elevation indicating the location of the proposed sign(s). In addition, provide a detailed rendering and specifications of the proposed sign(s).
